

## South haven 5/5

Hit South Haven with Rich today for a short fish. Hit 4 for 4 in fairly short order. Two lakers, two steelhead. Both stellies were 5-6# and one laker was about 7# and the other was short so we tossed it back. First steelie took a fireworks horse fly behind a chrome/ glow/ orange dodger on a 3 color. second steelie took Glow Tiger Roughy Nailer on the high diver back 65'. First laker was the undersized one and it took a SeaMist Horse Fly behind a 10" blue spinnie with crush glow on it and the second laker took Mashed Mahi Nailer off the rigger. Conditions were cloudy with 10-20 winds right off shore. Trip was cut short to time constraints so we fished about 2 hours.
