

SH 5/18

Ran out to the same starting area as yesterday but Â sat down a little short in 165 fow.Â Set a SW troll for a short while then went NW.Â We picked at the fish then found an active school in the 190' range and crossed them a few times to get another boat limit 20 for 26 in under 5 hours.Â We had a nice mixed bag again today consisting of Lake trout, Kings, coho and steelhead.Â Spoons ruled the day today with Fireworks Horse fly only taking one fish on the 3 color.Â Pumpkinseed (16) dominated again taking 6 more fish again today set out on the 16 color leadcore line.Â Lemonfire Glow (76) came on strong as well taking 5 fish set on the 10 color.Â Glow tiger roughy (65)Â took a few fish as well as Bruiser (31), Mashed Bannana (11), and Watermelon glow (62).Â Several prototype Nailers did well today also including a blue/green dolphin, black/orange on gold, double orange crush and a green/blue minnow pattern.Â Divers and core dominated the day with riggers only taking 4 hits all day.Â Core was 3-16 colors and divers set 45-100 back.Â
