

South Haven 5/26

Had a full boat today with the whole family.Â Mom and Dad and 4 kids filled up the boat.Â Â We ran out to 170 and sat down and headed on a west troll.Â Pulled a nice laker and a twinkie king while setting lines.Â Trolled out to 205 and turned around and headed back for the 180's.Â After some zig zagging and a couple more fish, we headed to some shallower water for the last hour or so.Â We finished with one steelhead, two lakers and the rest kings.Â not the largest fish, but fun none the less.Â Mashed Bananna (11) on the half core took 3 bites and landed one steelie and one king.Â Blue mahi (82) 166 down on the rigger took a laker.Â Bruiser (31) took a king on the full core.Â Fireworks HorseFly on the 3 color behind a dodger took a laker off the 3 color.Â Blueberry Muffin (45) on the 13 color took 2 rips also. And the black and orange on gold had a twinkie hanging on the 8 color when we brought it in.Â
