

Muskegon 7/19

Fishing in Muskegon continues to be good.Â We caught 11 this morning up to 15#.Â We had the mixed bag with one coho, one steelhead, one laker and the rest kings.Â Several baits worked, but the SeaMist HorseFly took 3 rips behind the blue swirl E chip.Â Big blue e chip with Artic ice took one, and mirage took one.Â Blueberry glow, mashed bannana glow, tiger perch, and tiger roughy all took one fish.Â Plum cazy took 2 rips.Â And the Blue moon fly took one.Â As can see it was all blue today.Â The greens got shut on out our boat.Â We took fish in 108 and 155-210 mostly from 55-105 down.Â One on the 8 color.
