

6/16 Salmon fishing in muskegon

Made it out with my Aunt from Florida today and managed to get our 10 fish. The bad thing is 5 were twinkies. The other 5 were smaller, but decent anyway. Spoons took all the hits with Superior sunset (35) going twice, OGG going twice, Easter Egg glow (48) once, Roughy (65) twice, Prism (75) twice and goldie hawn once.

Fish we caught were from 165 to 340 fow. top 55' again. Tried pounding bottom the whole time with no luck today.
