

6/25 salmon fishing near Muskegon

Made it out with a buddy tonight from Grand Haven.Â We finsihed 6 for 8 so not too bad for this time of year.Â Took one undersized laker on a fly and everything else was on spoons in the 50' range over 140-180 fow.Â Gorgeous night to be on the water.Â No flies, no waves plenty warm and a few fish to keep it interesting.
