

New - Nighttime Walleye Trips

Now offering Nighttime walleye charters

in the spring. Early spring the walleye spawn up the river and in Muskegon lake.Â We fish for the post spawn walleye around the piers at night until the season opens, then we can fish in Muskegon lake.Â Season is open all year on Lake Michigan, so we stay outside the beach line and around the pier heads. 5 hours or limit catch \$300.Â Or combo walleye with Salmon and trout with an evening trip.Â Fish for salmon and trout until dark, then switch tactics and try walleye after dark.
