I took an afternoon trip wtih my neice, aunt and brother.Â It was a flat calm and really sunny.Â A beautiful day by all standards.Â The fish must have been knapping, but we did manage two bites in a few hours and landed them both.Â A nice 6# king my neice reeled in and a dandy 12.5# brown my aunt reeled in.Â Northport nailer spoons in #11 Mashed BanannaÂ and #45 Blueberry Muffin took the fish.Â Lots of bait on the graph and plenty of fish marks.Â I just didn't have my chi going today.
