Fishing continues to be good.

Fish moved a bit shallower than the past couple days.Â We had bites from 89 to 220 yesterday with the best being 190-220 and 130-150.Â Same program with Nailers and Horse flies on a faster than normal troll.Â Finshed 12 for 17 bringing the three day totalÂ to 40 for 60.Â Headed out tonight again.
