

Outdoorsmen League fish 7/27

Thursday night league was slow again this time.Â Best was 3 fish in a boat.Â We finished 2 for 3.Â Not stellar at all.Â Fish are there, but getting them to bite was tricky tonight.Â We had all our action on Northport Nailers, but other boats had all their luck on flasher fly rigs.Â An east or north wind should cool the water and really get things fired up.
