

Saturday 9/10

A total smackdown Saturday.Â Finishing 21 for 31.Â Horseflies in Artic ice, SeaMist and Little boy blue took many fish behind a variety of blue flashers at depths of 80 and 100 on the riggers and deep copper lines.Â Nailer spoons in 69, 35, Harv, 5, 43, all took fish.Â Here is the pile that morning.
