

All you want 4/29

Fishing is basically a take all you want right now.Â 3 hours fishing yesterday put 17 in the boat.Â All other boats I talked to had similar results.Â Lots of nice healthy kings in the 10-15# range.Â Some lake trout and coho mixed in as well.Â On my boat action was all on HorseFlies, and primarily deep.Â Riggers 130-150 down, divers 200-300 back and 450' copper rigs.Â With the clouds yesterday everything was blue.Â Little Boy Blue, Blue Glow and SeaMist took all 19 bites running them behind 10-11 flashers primarily in blue colors.Â Get out there while the fishing is still HOT!
